Madam,

Sub: Provision of 500 Saplings – Reg.

We learned that Manatharam Human Welfare Council headed by you has been serving the society through its humane measures. Our TARA Government College is an autonomous institution catering to the needs of 3500 odd students. We want to plant aromatic, rare herbs and other plants that grow under shade. In this regard I request you to provided us 500 saplings of rare variety (aromatic, rare herbs etc.) and enable us to contribute to the environment.

I assure you that our college NSS programme officers and student volunteers shall do their best to look after the saplings. Earliest affirmative approval will be solicited in this regard.

Thanking you

Yours faithfully

Principal
