## Introduction - NIRF INDIA RANKINGS:

The National Institutional Ranking Framework (NIRF) was approved by the MHRD and launched by Honourable Minister of Human Resource Development on 29th September 2015. This framework outlines a methodology to rank institutions across the country. The parameters broadly cover "Teaching, Learning and Resources," "Research and Professional Practices," "Graduation Outcomes," "Outreach and Inclusivity," and "Perception". Rankings for the past five years, 2016; 2017; 2018; 2019; and 2020 have been published.

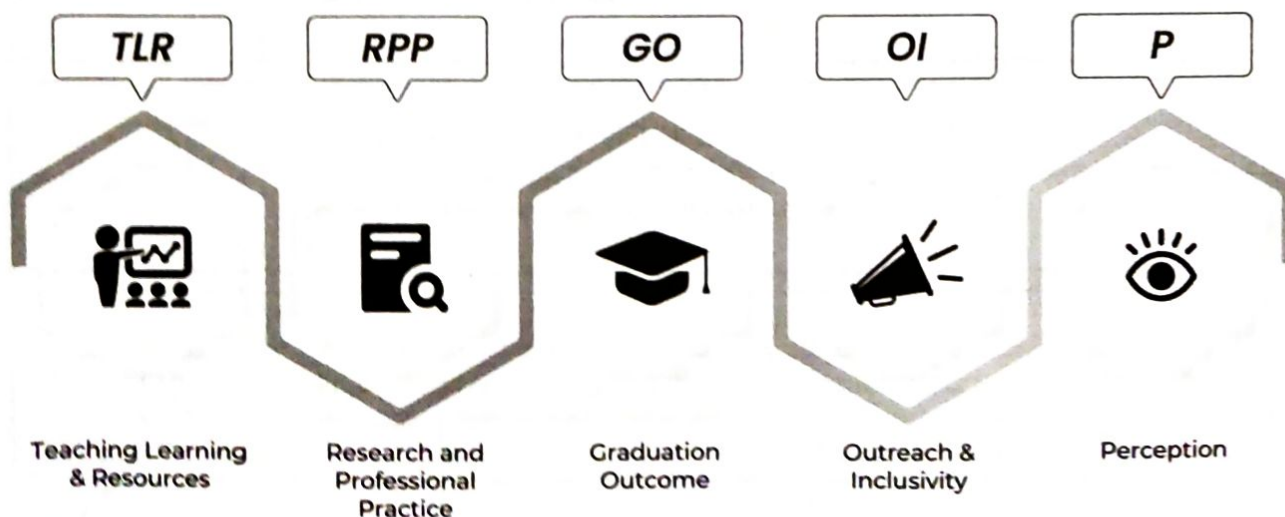

### OBJECTIVES of the Workshop

*To bring an awareness of and to present critical insights into*

- ★ The parameters and their relative weights in scoring and ranking
- ★ Quality research publications and patents
- ★ The avenues of funding to pursue research projects
- ★ Placement opportunities and its role in the ranking process
- ★ The diversity, inclusivity and outreach activities
- ★ The ways and means for enhancing perception rating of institutions

### Expected Outcomes:

- ★ Building-up capacity for data capture and presentation for NIRF
- ★ SWOC analysis for identifying the strengths and weaknesses of the institute with gap analysis for remedial purposes
- ★ Encourage peer comparison which enables introduction of best practices which will enhance the institute's reputation and standing
- ★ Assign priorities in the day to day working of the institutions
- ★ Infuse confidence amongst faculty and management towards ranking process
