An orientation to the Guest, Contract and PG teaching staff was organised in the Seminar Hall on 30 December 2021 with the following objectives.

Objectives:

- Most of the staff have little experience and exposure to the HEIs- To inculcate vital aspects of HEIs in them.
- To sensitise the staff with latest know-how and know-whys.
- To impart language skills in day-to-day correspondence.
- To sensitise regarding Mentor -mentee system.
- To create an ambience wherein the staff learn from interaction.
- Sensitise them in the point conduct and ethics.

Introduction:

Internal Quality Assurance Cell (IQAC) of the college conducted an orientation programme for the teaching staff of the college on 30 December 2021. The below – mentioned are the activities that were conducted apart from official inaugural and valedictory and other activities.

Inaugural session :

Inaugural session was chaired by the Principal, Smt M. Praveena. Sri A. Vishweshwara Sharma, Asst Prof of English and Coordinator of IQAC, informed about the objectives of the orientation programme. Sri M. Ramulu, Asst Prof of Public Administration and Additional Controller of examinations, who deals with PG examinations, explained about the conduct of PG examinations, both, internal and external. He also explained the role of a teacher in conducting assessment.

Smt. M. Praveena, Principal of the college and chairperson of the orientation programme, spoke about the relevance of the programme. She went down the memory lane where new teachers used to learn from their senior counterparts. She thanked all the teachers for donning the role of resource persons to impart vital aspects of an HEI in the programme. She also thanked the IQAC for initiating such an orientation programme. Refurbishing one's skill, knowledge is a real wisdom. A few years ago, perform or perish was the buzz word, but in the present time "innovate or perish" is the new *mantra*. She exhorted the teaching staff to learn from one another.

Training of staff on TASK

Telangana Academy for Skills and Knowledge of tara Government College, Sangareddy (A) on 30 June conducted a programme on training of selected staff of the college and also invited the principals, TSKC coordinators, TSKC mentors in the district degree colleges. The programme was started by the initial remarks of Smt M. Praveena, principal of the college. She requested the TSKC coordinator to invite Shri Krishna Sinha, CEO of TASK. Sri A.V. Sharma, coordinator, TSKC explained about the status of TASK and TSKC at the college briefly and requested Shri Krishna Sinha to start the training on TASK.

Shri Krishna Sinha explained the services offered by the TASK (Telangana Academy for Skill and knowledge) to all the educational institutions in the state. He explained why the new website version is being launched. He delved deep on the services of TASK. The MoUs reached by the TASK almost doubled. From a few weeks now, the new website is going to offer services that are priceless, cost affordable and speed. As he revealed, it came to the light that the new TASK website is going to offer wonderful services. All data will be available. Students can pick the job of their choice. There will be end-to-end connection. He concluded saying that the services available to the students could be best utilised only when the students are empowered through correct

information. He enquired the availability of resources at the institution. He also instructed Mr Muthyam Kumar, the regional manager TASK, to explain about the services and training programmes offered by TASK. The participants offered gratitude to Shri Krishna Sinha for his services by felicitating him. Vote of thanks was offered by Sri A.V. Sharma.

Training on QFIX

30 Aug 2022

By

Trainer Mr. Venkata Ramana

As per the new policy of the government of Telangana, village revenue officers of the state are deployed into other government offices/departments. Out of them 22 VROs were deputed to the department of higher education (Government Degree Colleges) of Sangareddy district. Out of those 22, two VROs namely, Sazeeda Sulthana and Neerudi Shivaram were allotted to Tara Government College Sangareddy (A). They reported to their duties in the first week of August 2022. They needed to be trained in the form of induction training so that they could integrate themselves into the system and the college could extract their best services. Against this background, Internal Quality Assurance Cell (IQAC) of the college initiated the training sessions series. On 30 August 2022, the IQAC in collaboration with TSKC of

the college trained them on QFIX. The college has been extracting ICT services for payment gateway. The QFIX software is a user-friendly and helps the students pay their examination, tuition and other fee from their mobiles. This helps reduce queue system and saves much time. The below mentioned topics were dealt with and hands on training was imparted.

- ❖ Introduction to QFIX
- ❖ uses of QFIX
- ❖ Hands on training
- ❖ Work on the system.
