

**GOVERNMENT DEGREE COLLEGE ,MARIPEDA,  
MAHABUBABAD(DIST)**

Email:gdc.maripeda@gmail.com

cell no:9848188173

**Water Conservation Facilities**

The college is presently running in a rented private building. There is a soak pit near the college building. During rainy season the surface runoff water moves in to the soak pit thereby recharging the ground water.

Water is supplied to the college by Mission Bhagiratha. Water is stored in overhead tank. All taps are in good condition. Any leakages are taken care of immediately.
