During the academic year 2020-21, due to covid-19 pandemic, it was not possible to take physical classes till February 2021. Therefore under the guidance of IQAC the teaching staff prepared e-content, posted videolessons on youtube, and conducted online classes using zoom, whatsapp etc. Despite lack of physical classes, good results were obtained in the university examinations.

In March 2021 a Faculty Development Programme was organised by the Computer Science Department under the guidance of IQAC, on Basic Computer Skills.

IQAC motivated the teaching staff to frequently remind the students through out the year, regarding precautions against covid, including the proper use of facemask, use of sanitizer and maintaining physical distance.
