

GDC Maripeda

Significant achievements 2020-21

During the academic year 2020-21 physical classes could not be held until February 2021, due to the COVID-19 pandemic. All the teaching staff of the college responded effectively to the unforeseen challenge by conducting online classes using various platforms including YouTube channels, WhatsApp groups, Zoom, conference calls etc.

A one month capacity building programme was held on Basic Computer Skills for the staff members in the college. It was organized by the Department of Computer Science under the guidance of IQAC. The program was organized from 16 March 2021 to 15 April 2021. The program was attended by teaching staff and also non-teaching staff. Some staff members who did not have previous knowledge of computer basics were much benefited by the training program. Staff who had basic knowledge of computer skills are benefited by refreshing their skills.

National Online Quiz on Health was organized by the Department of Botany and IQAC in July 2020. More than 650 people from all over India have participated in the quiz. Students, research scholars, teaching staff, employees of various departments, and others from Telangana, Andhra Pradesh, Odisha, Punjab, and Bihar etc. have participated in the online Quiz. Online certificates were sent to the participants who scored pass marks.
