TITLE OF THE PROGRAMME:

Field visit to NMDC, Paloncha

DATE OF THE EVENT: 24-03-2021

RESOURCE PERSON/CHIEF GUEST :

Dr.Y.Chinnappaiah

OBJECTIVE OF PROGRAM:

The Department of Mathematics conducted a field trip to NMDC at PALONCHA. The purpose of field visit is usually observation for education, non-experimental research or to provide students with experience out side their every day activities, such as going camping with teachers and their classmates. And Students are getting Mathematical measurements, Company production Annual Reports also. It contributes to the skill development of students with gaining Mathematical Knowledge.

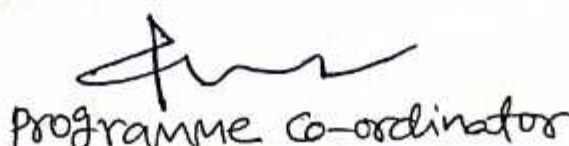

BREIF DESCRIPTION: The Department of Mathematics

conducted a field trip to NMDC at PALONCHA. It is a nearest Industry from this College.

- ❖ Main aim industrial visit is to provide an exposure to students about practical working environment and collecting information. They also provide students a good opportunity to gain full awareness about industrial practices.
- ❖ Industrial visits offer a great source to gain practical knowledge. Students can observe and learn as to how theatrical concepts are put to into action, there by aiding their practical learning. Students are exposed to real working environment and shown how things are done in an organisation.
