

Dt: 10/3/2021

Program: Talk with Successful Entrepreneurs

Resource persons: Boinrgis Mudi and Finhas Mudi

A program to create 'Awareness on Entrepreneurship skills' is organised by Entrepreneurship Development cell, MKR Government Degree College Devarakonda on 10/3/2021.

"LOCAL ONLINE-TRUSTED HOME NEEDS DELIVERY APP" is a home delivery app developed by two post Graduates - **Boinrgis Mudi ,M Tech** and **Finhas Mudi M.Sc.(chemistry)** , belonged to Devarakonda town. They were invited to interact with the students .They shared their experiences of how they started a business on their own, struggles they faced at initial stages and their strategies in settling well in online business.

Dr.Ch. Rama Raju, Principal (FAC), motivated the students to acquire the basic communication skills & leadership qualities and become successful entrepreneurs in future.

S.Sarada Devi, Assistant professor of commerce and EDC Coordinator highlighted the importance of self relyancy and self-dependency among the students rather than depending on external employment and expressed her gratitude towards Government of Telangana for implementing several innovative schemes for promoting Start-ups.

N.Bala, Assistant professor of commerce and EDC Member, conveyed vote of thanks to the principal, Resource Persons, EDC coordinator, staff and students for organising the program.
