FOR THE ACADEMIC COOPERATION IN ENSURING QUALITY EDUCATION

The broad-spectrum objective of this Memorandum of Understanding (MOU) is to stimulate and facilitate the development of collaborative and mutually beneficial programs which serve to enhance the quality of the academic performance of the students studying in both the institutions.

1. The two Educational Institutions will:
 - a) Cooperate in the exchange of information relating to their activities in teaching and research in fields of mutual interests;
 - b) Promote appropriate joint study/research projects and joint courses of study.
 - c) Endeavor to encourage students and staff to spend periods of time in both the institutions. The exchange of students will be dependent on the execution of a formal Student Exchange Agreement prior to commencement of the activity;
 - d) Conduct short term courses / value added courses/add-on courses/field projects/ Internships as mutually agreed in writing between the parties prior to Commencement of the activity;
 - e) Conduct study tours as mutually agreed in writing between the parties prior to commencement of this activity.
2. Facilitate the exchange of undergraduate students. Such exchanges may take place for a period normally agreeable to both the institutions without any detriment to the academics of the students in their course study. The academic standing of such students shall be determined by both the institutions. Exchange of the students will be accorded the rights and privileges of students in accordance with the regulations of both the institutions relating to students and will be admitted under the terms and conditions relevant to their standing instructions in vogue. Accreditation for the academic work carried out by an undergraduate student during the period of study shall be decided on mutual understanding for the benefit of the students.

The aim of this Memorandum of Understanding shall be to achieve a broad balance in the respective contributions and benefits of the collaboration, and this shall be subject to periodic review by both the institutions.
