Govt. Degree College  
MARIPEDA

## Profile of the College

The Government Degree College, Maripeda was established in 2009 in the remote rural area of Mahabubabad district for catering to the needs of poor students in this backward area. Till 2019 the college was running in an old, dilapidated building belonging to Sri Surendar Reddy, former member of Parliament. In 2019 the college was shifted to a private rented building. After shifting to the rented building, admissions into the college have increased greatly. The present rented building has only 8 class rooms and 2 laboratories. Therefore there is an urgent need for own building with adequate number of class rooms, laboratories, office room, library, conference hall, Principal chamber, staff rooms, toilets for staff and students. Five acres of land has been allotted by the District Collector for the construction of permanent building for the college.

The college has successfully completed 12 years of its mammoth service in fulfilling the needs of tribal students in the field of Higher Education. Though the college is lacking proper infrastructure, there is a huge demand for admissions into the College mainly due to good faculty team. The College has been offering seven streams in B.A, B.Com and B.Sc Courses from the current academic year i.e. 2021-22.

### Courses Offered:

Sl.No.	Stream Name (BA/B.Com/B.Sc)	Type of Stream	Group/Course Name	Medium	Group/Course wise Sanctioned Strength
1	BA (HEP)	General	History, Economics, Political Science	Telugu	60
