

"Fieldtrip to Somalingeshwara Temple"

53

24-03-2021

The Dept of English planned for a field trip and after discussion decided to visit the Somalingeshwara Swamy Temple at Dukki. So all the students are informed to gather at the College before 10.am on

The faculty along with student reached the temple and a village from the location guided us and the students comprised the historical significance of the temple and got to know many things about it.

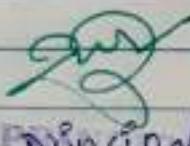

The temple is built entirely with stone. The entrance to the temple is on west side. Locals say that the main Shiva Lingam in the temple was about the size of fist 50 years ago and is growing day by day. The temple is filled with devotees on the Mondays in the month of Kartik and Marga.

New word learnt in this project are

- * devotees
- * penance
- * Architecture
- * Dome
- *

S. No	Name	Roll No	Sign
