ABOUT THE DEPARTMENT

The college was started in the year 2014. Department of commerce was established in the same year with Telugu as Medium of Instruction. College was being run in the premises of Ravindra High school due to lack of accommodation. Later the college was shifted to the new building along with the Department in the Year 2018-19 academic year .

For engaging FIT Paper through sharing the computer lab sanctioned TSKC lab for the purpose of B.Com students Conducting Accounting group practical's as syllabus prescribed by the Palamuru University (Affiliating University). . B.Com (Computers) Course was introduced in the year 2017-18 Academic year with English as a Medium of instruction under the Self – Finance scheme.

From the academic year 2016-2017 the department is offering B.Com (General) and B.Com (Computers) courses under CBCS, Palamuru University. From the academic year 2018-2019 the department B.Com (Computer) course modified by CCE as B.Com (Computer Application).

From 2019-2020 Academic year only B.Com (Computer Application) course in both media.

From 2020-2021 Academic year only B.Com (Computer Application) English medium is being run.

TEACHING LEARNING AND EVALUTION

- A. **TEACHING**: Department of Commerce is unique in teaching of Commerce subject to the students of B.Com. The details of teaching practices are presented here.
 - 1. <u>Lecture Method</u>: It is a conventional and age old practice in teaching. It is adopted for the theory and problems subjects. In the lecture method, interaction of the students is solicited.
- 2. <u>Analytical Presentation Method</u>: In B.Com there are several subjects which are problem oriented. Every faculty member follows the method of analytical presentation, which gives more subject knowledge to the students and also increases their analytical thinking.
- B. <u>Learning</u>: Learning is a quality practice in education. The department of Commerce adopts feasible learning methods for sustaining the subject knowledge. Some learning methods adopted by the department are given below.
 - 1. <u>Teaching Models</u>: For easy learning, some models have been prepared by the students. These are displayed in the class room for easy learning. This specially helps the academically weak students to grasp the concepts easily and clearly.
 - 2. Quiz: Subject quiz is conducted to the students. This method of learning enhances the subject knowledge and competitive spirit. This practice is giving more encouragement to fast and slow learners.
- C. EVOlution: The department of commerce adopts academic activity in three dimension way. Teaching is first dimension, better learning process is second and evolution is third dimension. The practices of evolution are mentioned here under.
 - 1. Assignment: Every student should compulsory submit assignment on given topic. The assignments are evaluated by the lecturers from time to time. The same topic is given for the slip test.
 - 2. <u>Internal Assessment Tests</u>: As per the University schedule department of Commerce conducts the Internal Assessment tests twice in a Semester.
 - 3. <u>Remedial Coaching:</u> After analyzing the internal exam marks, the weak students are selected for separate coaching. Intensive coaching is given to them. Running notes are also dictated in the separate class.

SYLLABUS:

The college is affiliated to Palamuru University, Mahabubnagar. Hence common core syllabus prescribed by the university is followed. The paper wise particulars are as follows.

SUPPORT SERVICES

Department of Commerce pays more attention towards support services to the students on par with academic activities. These services motivate the students towards positive thinking and optimistic ideology towards their lives.

- 1. <u>Subject Career Guidance</u>: The department encourages the B.Com III year students to purse higher education. Almost all the staff give them information about various courses. Most of the students pursue PG courses in O.U and Kakatiya Universities. We give proper guidance to them. Notices after circulation in the classes are displayed in the department notice board.
- 2. Competitive career Guidance: The staff of commerce department inform the students from the time to time about liberalization, Privatization and Globalization. They make students to appear for competitive examinations. Students are guided to appear for group services, Banking services, Governance services, IT services. Books for the same are purchased and kept in the department library. They are also guided for placements.

ORGANISATION

With regard to organization, the department of commerce also involves in different activities of the college. The activities under organization are given here.

1. <u>Departmental Meetings</u>: In the department there are various activities, viz., academic, evolution, Research, Career guidance and panel discussion etc. For coordination of the activities, a separate departmental meeting is conducted from time to time and the information is recorded in the departmental minutes.

2. Working in Committees: The faculty members of the department are very active and dynamic. They are included in various committees of the college. Their contribution for the college development is significant and remarkable.
