

**CAREER GUIDANCE LECTURE
ON
SCOPES & AVENUES IN ARABIC FIELD**

The Department of Arabic GDC Chanchalguda organized a lecture on the theme “**Career Guidance for scopes & avenues in Arabic fields**”.

As the world has grown into a global village, job opportunities from different countries are available for local candidates.

The lecture created awareness among students regarding various **positions demanding Arabic as core/secondary language like Interpreter, translator, map designer, data filterer, BPO executives etc.**

Already many Arabic speaking individuals are working on such designations in top most corporate companies such as: **Google, Facebook, Genpact, Mahindra Tech, Infosys etc. with excellent pay packages.**
