

Field Trip- Sericulture unit

The department of English in collaboration with the ZBAC has organised a field trip to Sericulture unit at Pandilla village of Husnabad mandal. The owner of the sericulture unit Sri S. Gabaiah has clearly explained the process of silk rearing to the students. He showed his mulberry crop in 2 acres of land and the average profits of the unit. The students have visited the sheds where silk cocoons are reared. This trip has facilitated the students to learn about silk rearing and sericulture. This trip has boosted the confidence of students in developing their employability skills. Final year students participated in this trip.
