Name:

Name of the Activity :- Awareness programme on women's health.

Type of the Activity :- Extracurricular.

Title of the Activity :- Awareness programme on women's health.

Academic year :- 2020-2021.

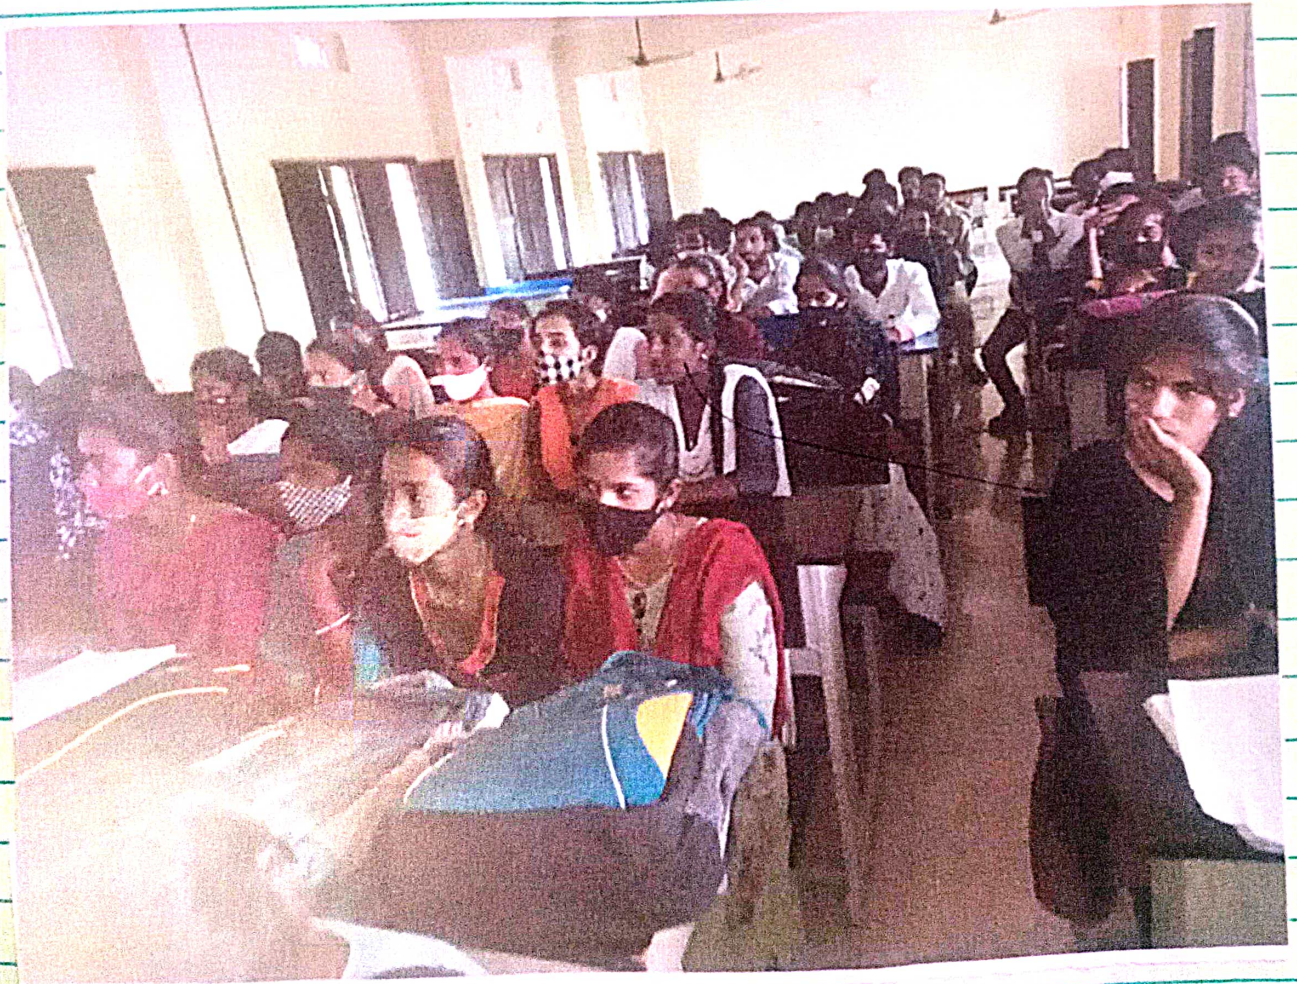

Name of the faculty involved :- P. Hanu Prasad
Description :- Convened WEC.

We the staff women had given awareness programme on the women's health. The girl students are from poor and rural background. They do not follow their diet properly. Due to lack of money, parents involve in field work, unavailability of food.

Due to the above mentioned reasons students get their health affected. Most of the girls are anaemic, weak. Their WBC and RBC count is very low. It leads to serious problems and sometimes even death may occur.

Hence we the staff of Kodungal
Govt Degree college had given
awareness programme on women's
health.

In this programme we discussed on
the vitamins and minerals which
is essential for body, and the
sources of foods in which these
vitamins present. By following the
diet balanced, they can overcome
with the serious problems and
women related problems like
irregular menstrual periods which may
also effect their motherhood.
