GOVT.DEGREE COLLEGE-NARAYANPET

35.Mention the facilities available for the management of Degradable and non-degradable waste

The college gives top priority to keep the campus clean and eco friendly, the faculty and students are regularly advised to reduce waste at a lower extent.

Solid waste management: For the regular collection of solid waste dust bins/garbage bins are kept in classrooms, laboratories and at different places in the campus. Paper waste is sold to vendors for recycling Students and staff regularly participate in Swachh Bharat programmes- cleaning campus drives.

Liquid Waste Management: i)Drainage systems are built to carry all the liquid effluents from laboratories, staff rooms to a sewage system. The drainage system is underground. ii)The waste water comes from the purified drinking water is reused for the plants to grow.
