CIRCULAR

Date: 15-07-2020

In Order to smooth academic functioning of the college, the Lecturers have been given charges to look after the students as mentors for the respective allotted groups. They are further instructed to improve the academic performance and motivate the students of their groups to participate in co-curricular and extracurricular activities in college.

Hence all the lecturers are once again instructed to take care of the all round development of the students of their groups in this academic year 2020-2021.
