TELANGANA – 502286

VALUES

ETHICS

EMPOWERMENT,

EXCELLENCE

VISION

- To impart value based quality education to rural and Socio- economically backward students.
- To empower students with Knowledge and Skills.
- To inculcate the qualities of honesty, integrity, tolerance and hard working.
- To improve communication skills in rural students fraternity.
- To improve women education ratio in higher education
- To encourage rural student community to pursue higher studies and research.
- To develop the all-round personality of the students.
- To build global skills for entrepreneurship and to nurture innovative and creative thinking.
- To enhance employability skills.
- To inculcate the spirit of service.
- To build leadership qualities.
- To develop scientific attitude and scientific temper.
- To develop critical and creative thinking.
- To provide value-based education.
- To empower students through education.
- Environment, Gender Equity, Women Empowerment, Rural Development, Human Right issues and Adult Education.
- The future vision of the institution is to make the students intellectuals, self-sufficient, socially useful and productive citizens to promote national integration.

MISION

- Our college provides students with quality educational experiences and support services, basic life skills and technical efficiency that lead to the successful completion of degrees.
- By providing educational facilities to students belonging to all sections of the society those who desire to pursue higher education.
- By inculcating discipline, punctuality and regularity.
- By adopting ICT based technical tools and best practices to reach the needs as per emerging trends.
- Meeting the needs of a diverse student population, we embrace equity and accountability through measurable learning outcomes and achievements.
- Strengthening students' social responsibility by doing social activities with readiness, as responsible social servants with special focus on health and hygiene

OBJECTIVES

- To enhance Knowledge by continuous learning and thinking.
- To provide an Opportunity to the needy rural people of this area to pursue higher education.
- To Import need based education by introducing new and latest courses in tune with the changing needs of the modern times.
- To provide training for the all round development of the students.

INSTITUTIONAL STRENGTHS

- The college has spacious campus and it spread over the area of 15 Acres.
- Spacious play ground for sports activities.
- Highly qualified, hard working, well supported and dedicated faculty
- College is certified with ISO Certification.
- Adequate Infrastructure for Teaching and Learning Process.
- All eligible students get fee reimbursement from the State Government which is a great incentive for the students from a poor economic background.
- Infrastructure is the One of the hallmarks of College. Qualified and dedicated teaching and non-teaching staff.
- Eco friendly campus for meticulous learning.
- The classrooms are Spacious, clean, airy and learner friendly. All classrooms have Green boards; few have white boards and digital boards with projectors.
- A faculty with a single minded devotion and dedication to the cause of teaching and the welfare of students.
- High enrolment of the students.

Institutional Weakness:

- College is located 5 Kms away from the town.
- Most of the students are slow learners as they come from illiterate family background.
- Library is not providing complete open access but is on the verge of becoming fully functional.
- All classrooms are not smart classrooms.
- Unavailability of internet and communication signals 2G, 3G and 4G
- Limited transportation facilities for students coming from the rural areas.
- Absence of Career oriented/ professional courses
- Early marriages in women students prevent them from attending the college.
- Less number of teachers with PhD degree and hence low scope for research activities.
- The College does not have any Post Graduate Study Centre in any subject. Thus, restricting the faculty and students alike in not able to go for research.
- Research activities and publication of articles in national journals have to be increased
