

GOVERNMENT DEGREE COLLEGE KORATLA, DISTRICT- JAGTIAL.

Report on QR code for surviving plants at Government Degree College Koratla.

We the department of Botany as a part of Telanganaku Harithaharam applied QR code to each and every plant in the college campus. With the help of this QR code students and staff access of the plant history at any time.

In this program Principal Dr. Neeli Vasavi and staff members participated and got practical knowledge of plant history with the help of QR code.
