

**OFFICE OF THE COMMISSIONER OF COLLEGIATE EDUCATION  
TELANGANA STATE, HYDERABAD**

Present: Navin Mittal, IAS

**CIRCULAR**

**Sub:** Collegiate Education - Establishment of "Entrepreneurship Development Cell in GDCs – Certain Guidelines Issued.

In order to promote the 'Entrepreneurship' among the college students, the Commissionerate of Collegiate Education, plans to establish Entrepreneurship Development Cell (EDC) in each and every GDC for promoting Entrepreneurship Education among the undergraduate and post graduate students of the Government Degree Colleges in the state of Telangana. The primary objective of this EDC is to inspire and inculcate a culture of innovation and encourage budding entrepreneurs. This EDC will create a platform for students and provide awareness of Entrepreneurship Development, Business Ideation, Innovation, Incubation and Implementation.

By providing skill development and entrepreneurial development programs, the students of GDCs can confidently start their own ventures either in the form of start-ups or small commercial entities. Ultimately they can become job providers rather than job seekers.

In the circumstances read above, all the Principals of Government Degree Colleges are directed to establish/constitute an Entrepreneurship Development Cell in each GDC with the following composition.

- Principal** – Chairman  
**Coordinator** - Any one Senior Faculty from Commerce/Management  
Economics/ English Departments  
**Members** – Any two faculty members and two student  
representatives

The specific objectives for establishment of Entrepreneurship Development Cells in GDCs are as follows.

- a) To Impart Entrepreneurial Education with Guidance, Mentorship and Motivation to the students of GDCs.
- b) Organizing series of programs like workshops, seminars, invited talks from successful entrepreneurs.

- c) To promote the culture of self reliant and self dependency among the students rather than depending on external employment.
- d) To have a wide network in the form of collaborations with established agencies to help and guide the students in promoting entrepreneurial skills.
- e) Promoting six core values of entrepreneurship among the students i.e., Excellence, Leadership, Integrity, Innovation, Collaboration and Economic Value Creation.
- f) Organizing regular Summer Camps for youth to instill the 'spirit of enterprise' at a young age so as to inspire them to select an independent, innovative career option and excel in it.
- g) Promotion of Micro & Agro based enterprises in rural and semi-urban areas to channelize unemployed youths towards self-employment.
- h) Promoting Startups under Startups/Innovation Scheme of the Government of Telangana.

The College level ED Cell should conduct various activities like awareness programs, invited talks, motivational lectures, by involving practicing entrepreneurs periodically viz. at least two programmes per month. Consequently, these initiatives will boost the courage and knowledge of the students and help them in creating one's own employment through promotion of small enterprises in their own localities.

Further, the Principals of all GDCs are directed to follow the guidelines given in the circular and establish the EDC in their colleges by **28<sup>th</sup> February, 2021** and monitor the ED Cell activities. A compliance report of programs organized shall be sent to the State Level Coordinator from time to time.

...

Today our Department (Commerce) conducted a programme on "Entrepreneurship Development" under "EDC". For this programme, Smt. Swathi (Boutique Designer) is the chief guest. She shared her experiences in this programme. She told the students how she started her business, in what circumstances she started her business and her investment. She explained to the students her barriers and hurdles which come across her way, and how she overcame them, & how she had her success in her business. She inspired the students how her income has been increased. She motivated the students how to create our own self-employment and provide employment opportunities to others.
