Library Facilities Available in the College.

Libraries are more than just stores of books and journals; they are the learning resources which do not discriminate between any kind of person. They are the sources of inspiration and legends have openly accepted that library is reason for their limelight. Our college recognises this fact and it has made a humble beginning by setting up library with 900 books as per the common core syllabus under CBCS framed by university and it made addition of 230 books later on as per the change in the syllabus. The books are issued to students for a period of ten days using lending card. The faculty also can take the books from the library for a period of 10 days. The total titles in all subjects are as follows.
