NAAC ACCREDITATION 1st Cycle

As the college is going for NAAC accreditation, the Internal Quality Assurance Cell of the college decided to create awareness among staff and students about the NAAC procedure and its importance – conducted seminars on NAAC and assigned responsibilities to designated staff for fulfilling the different criteria of NAAC procedure and to consolidate the records of the last 5 years pertaining to different aspects of the NAAC procedure.

In this regard, the following was the action plan:

1. Develop the VISION and MISSION statement of the college in tune with CCE guidelines.
2. Create a SWOC (Strengths, Weaknesses, Opportunities and Challenges) analysis of the college.
3. Prepare documentation for 35 registers.
4. Prepare a profile of the college.
5. Create a profile of the teaching, non-teaching staff and students of the college.
6. Encourage the Green Practices including Haritha Haaram, Swachh Bharat program, etc.
7. Encourage the faculty and students to undertake the student study projects (Jignasa) undertaken by students.
8. Encourage Research and Innovations steps at the college level by faculty and students.
9. Conduct extension activities in the college including NSS aimed at community development.
10. Develop the infrastructure at the college including lab, library and sports facilities.
