### J.V.R GOVERNMENT COLLEGE. SATHUPALLY, KHAMMAM Dist. TS.

(Affiliated to Kakatiya University, Warangal)

Contact No: 08761 295098, 9154806772

c-mail: sathupallvikc@email.com

Website: https://gdcts.cgg.gov.in/sathupally.edu

### **Solid Waste Management:**

The institution ensures clean and healthy surroundings and follows effective Solid Waste Management 2-3kgs of Solid Waste in the form of class room waste and dry leaves is collected in the campus spread over 12.5 acres. Separate Dust bins for Bio-degradable and Non-biodegradable waste is placed in all class rooms, Laboratories office and Departments.

Biodegradable waste, Lunch left over etc., are filled in Bio-compost pit which is converted in to Organic compost .This is used for Botanical garden and Flower garden in the campus, Eco-club and Department of Zoology maintains Vermicompost unit at the college and produces eco-friendly Vermicompost, Vermiswash used for campus gardens. In the campus pits, Sanitary landfills are designed to reduce or eliminate the risks that waste disposal may pose to the environmental quality. Eco-club and N.S.S Volunteers participate in maintenance of Bio-compost and 02 vermi compost units at the college. No-Plastic awareness drives were conducted by Eco-club amongst students and extension activities adopted at Rudrakshpally, Kakarlapally villages. Plastic waste collected is handed over to the Municipality Incinerators are functional at girls washrooms, Common rooms for disposal of used Sanitary napkins.

### **Liquid Waste Management:**

All liquid wastes such as Hand wash water, discharge from R.O plant, laboratories are managed and optimally used. Reuse of Waste water produced by R.O. water purifier plant for washing and also channelizing this to garden. Wash water during cleaning of water tanks is also channelled to garden. Ecoclub organized several students level sensitization programmes during last 5 years on minimizing wastage of water and water conservation strategies.

Liquid waste from chemistry, Botany, Zoology and Dairy science laboratories which include Alcohols, Organic acids, and indicators are treated with charcoal and cement mixtures before mixing with soil. Chemistry department collects rain water as distilled water used is in laboratory practicals

### **E Waste Management:**

College follows the standard protocols on e-waste management and conducted sensitization programmes to students and staff College follows the guidelines issued by Commissionerate of Collegeiate Education for identification, recycling and disposal of e-waste generated at the college. Annual verification committees are constituted every year to identify and segregate the obsolete and beyond repair electronic equipment like Computers, Printers, Refrigerators and UPS etc. The identified e-waste of the college is handed over to the District level e-waste committee and Telangana State Technological Services (TSTS) empanelled agencies for disposal during the last 5 years 50 Desk top computer system, 14 printers, 07 UPS, 02 ACs (Window) 02 Refrigerators besides inverters, stabilizers, and batteries are sent for recycling or disposal.

### **Biomedical waste management:**

Animal waste generated from conduct of Life sciences practicals at zoology, dairy science laboratories in the college due to use of animal specimens (Invertebrates and Fishes) for dissections, physiology experiments, serological samples, urine samples, used syringes, blood samples, are autoclaved, sterilized and then deep buried in soil. Incineration ash is also deep buried in soil carefully following standard protocols

### Waste recycling system:

Biodegradable waste generated at the college is converted in to bio-compost and vermi compost and waste water from R.O used at wash rooms.

### **E- WASTE MANAGEMENT**

### J.V.R GOVERNMENT COLLEGE, SATHUPALLY.

### **E Waste Management:**

College follows the standard protocols on e-waste management and conducted sensitization programmes to students and staff. Used toner and catridges sent to retailer collection point for recycling

- College follows the guidelines issued by Commissionerate of Collegeiate Education for identification, recycling and disposal of e-waste generated at the college.
- Annual verification committees are constituted every year to identify and segregate the
  obsolete and beyond repair electronic equipment like Computers, Printers, Refrigerators
  and UPS etc.
- The identified e-waste of the college is handed over to the District level e-waste committee and Telangana State Technological Services (TSTS) empanelled agencies for disposal
- During the last 5 years 50 Desk top computer system, 14 printers, 07 UPS, 02 ACs (Window) 02 Refrigerators besides inverters, stabilizers, and batteries are sent for recycling or disposal.

#### **Circular on E-Waste:**

## PROCEEDINGS OF THE COMMISSIONER OF COLLEGIATE EDUCATION TELANGANA:: HYDERABAD

Present: Smt. A. Vani Prasad, I.A.S.

Rc.No.01/AC/e-Waste/Acad. Cell

Date: 30/08/2017

Sub: Govt. Degree Colleges-Identified e-Waste purchased before 31.12.2012-Recycling and Disposal-Certified by the College level Committee- Reg.

Ref:- 1. Cir.No.01/e-Waste/Acad. Cell/AC-4/2015 dated 21.04.2015

2. G.O.Ms.No.24/ GoAP/Information Technology & Communication (Infra) Dept. dated 03.09.2010

\*\*\*\*

The attention of the principals of Govt. Degree Colleges is drawn to the subject cited. It has been brought to the notice of the Department the Govt. degree Colleges have accumulated e-Waste over a period of time. So they are instructed to initiate the process to dispose the e-Waste.

In this connection the following guidelines relating to the process model for handling the e-Waste in Govt. Degree Colleges.

- E-Waste scrap refers to the discarded computers, office electronic equipment, phones, television sets, LCD projectors, printers and refrigerators etc. This includes electronics which are destined for reuse, resale and recycling or disposal.
- 2. A District level committee shall be constituted in each district under the chairmanship of the District ID College Principal comprising Lecturers as members essentially a Lecture in Computer Science. However, the number of members shall not be more than 05 including chairman.
- 3. The committee shall
  - a. Identify the institution e-Waste
  - b. Categorization of the e-Waste like Monitors, CPUs, Printers, LCDs etc.
  - Segregation of category wise e-Waste based on their type, configuration and
    make
  - d. Separation and storage at a separate place in the institution so as to facilitate next course of action ie recycling or disposal.
  - e. Preparation of the list of items and handing over to the institution for requisite process.
- The committee shall complete the process and submit report on the status of e-Waste in respective district to CCE on or before 10.09.2017.
  - Committee should send a report with details of equipment proposed for condemnation and photographs,
- 5. GDCs which have done the process of identifying the e-Waste already may write to Director, TSTS for empanelled agencies to take up the process of disposal with ref
- As the committee has to visit the colleges in the district, the members of the committee may claim the expenses incurred towards TS and DA from their respective colleges as per the norms.

For Commissioner of Collegiate Education
