The department has been maintaining its departmental library by procuring books from various publishers as specimen copies and receiving books as donations from different faculty members of the college in general and the faculty of the department in particular. It is also a unique practice of the department that the outgoing students' i.e Final year students of every academic year also donate books to the department as mark of their association and affection with the department. The total books holding in the library stood at 510 in which 350 books are in English medium and about 100 books are in Telugu medium on the core subjects and rest of the books are general books that caters the needs of the students for their preparation for the competitive exams.
