

⊗ Computer Day celebration ⊗

Date :-

⊗ When is world Computer Literacy Day celebrated ?

World Computer Literacy Day is celebrated every year on December - 2nd to create awareness and drive digital literacy in underserved communities world wide.

The day promotes technological skills, especially in children and women. The world computer Literacy Day aims to inspire them to learn more and make their work / Task easier by the use of computer.

⊗ Computer Day :-

Every year the world computer day / computer literacy day is celebrated on December 2nd.

In our department according to this day we celebrated in the month of March.
