

## BEST PRACTICE

1. Title of the Practice: Know our National leaders.

2. Objectives of the Practice

The main objective is to make every student an Active Participant in the classroom.  
To help the students to refer and relate to what is being taught to real life the situations.

To make the Learning Students by reading or Knowing the life history of the National Leaders Students took inspiration from them.

To build the confidence among the students regarding their syllabus.

3. THE CONTEXT

History context is the important part of life and literature and without it memories stories and Characters have less meaning. Historical context refers to the social, religious, economic and political conditions that existed during a certain time and place .Department of History believes that viewing, thinking speaking and writing first instructional material is the textbook is the nucleus to all learning activities related to a subject particular curriculum. Text book play a vital role in imparting knowledge to the students in the present teaching learning process.

4 .THE PRACTICE

The students collect information of National Leaders and write them down .Every student collect additional information about the National Leaders, a part from Text books. Some collect the information form videos /pictures. This helps the students develop their activities in future. Reading habit also will be developed by their practice.

Since independence it has achieved all around socio-economic progress. The history and culture of India are dynamic that span back to the beginning of human civilization. For all the competitive examinations India History “Know our National Leaders” play on important role the questions from this subject are frequently asked. Here, we have organized and more than 1000+important role as the questions from Ancient history, medieval history and modern history so practice all these multiple choice questions and competitive book other material to all students are providing.

5. EVIDENCE OF SUCCESS

Students habituated to visit the library by this practice. Their collection acts as inspiration to the next batch students 20 studies have involved history learners and have shown that success for all teacher are prepared to support their special needs and are successful in increasing their reading levels substantially more than control the college.

## 6. PROBLEMS ENOUNTERED AND RESOURCES

\*The main problem of this practice is to mainly of non-availability of books in telugu medium. Most of the students come from Telugu medium back ground they are not go understanding the available English medium book.

\* Only with the help of videos/pictures/photographs of our national leaders. Students can understand their life history easily.

7.NOTES (Optional) : The department of history has grouped all the works of students into a spiral set. This enables students to know about “National Leaders”.
