

Significant Achievements of the college

- Government Degree College Siddipet (Autonomous) is located in Semi urban district, where it is a fast growing and developing new district, where it has a huge number of students of rural background and under privileged section of the society. During the Academic year 2020-2021, the pandemic Covid-19 and its great prevalence which attacked many people in and around the globe.
- We are very fortunate and blessed to have a wonderful, caring administration and faculty who have taken the utmost care in fighting against the Covid-19.
- We had a good number of awareness programs to students and faculty, enlighten them about Dos and Don'ts to be protected against Covid-19. We could fight it successfully where we had no mortality and a very few of students and faculty have infected with Covid and recovered with mild symptoms.
- We also encouraged the students and faculty to have vaccines and we have reached 100% Vaccination in campus.
- Our college had a very good Biodiversity of plants, with varied varieties having a great landscape and peaceful environment and congenial atmosphere with spacious campus with huge greenery. As an appreciation our college as awarded with Green champion award. **One district one champion** by Mahatma Gandhi National Council for Rural education, government of India.
- The great achievement is that we have got ISO-certification in Quality management, Environmental Management.
- During the covid period we could successfully conducted the exams taking all the covid precautions and able to announced the result well in advance on par with the parent university keeping in view of outgoing students and their progression. We could succeed in this with a great output and appreciation from parents and students, this is the great achievement of this academic year.
- On par with traditional teaching methods, in this year our faculty members had a great revolution in using advanced learning techniques using e-content , online mode of teaching using advanced teaching aids like Zoom, Google classroom, Teachmint. This change over in the teaching and evaluation process, the students have benefited a lot and they were into learning mode even in lock down period. This is one of the great achievements during this year.
- Under the supervision of Dr.Gopala Sudarshanam, Assistant Professor of Commerce and Dr.P.Ayodhya Reddy , Assistant Professor of zoology, Two and Two Ph.D degrees were awarded respectively. Further under the guideship of Dr.Gopala Sudarshanam, 8 M.Com final projects were awarded.
