

**INDIRA PRIYADARSHINI GOVERNMENT DEGREE COLLEGE FOR WOMEN,  
NAMPALLY, HYDERABAD**

**CERTIFICATE COURSE**

**By Department of Economics**

**2020-21**

**TITLE: “KNOW YOUR ECONOMY”**

**Aims & Objectives:**

- The certificate course on ‘Know Your Economy’ gives an overall understanding to create awareness among students on the importance of Economics and Finance in growth of a Nation and individual.
- To undertake applied and empirical research students in the areas of economics and finance.
- Development of economics and financial models by application of statistics and mathematics to specific problems relating to India.
- To invite eminent specialists to address the members of the public on their specific areas of expertise.
- To organize seminars, workshops, lectures, training programmes, etc. on economics and financial issues of national concern.
- To organize essay competitions and debates for school and college students.
- To undertake surveys on its own or commission such studies by qualified and experienced researchers on economics and financial matters.

**Number of Students: 41**

**No. of Days: 30 days**

**Conducted by: Department of Economics**

**Resource Persons: Ms. Sushma Goddety, Head, Department of Economics.**

**Syllabus of the Course: SRAEF has student-oriented activities aimed at schools and colleges.**

- Know Your Economy Test for college students.
- Surveys and Research projects with students as volunteers that give them an insight into the economic issues at ground level.
- Best Question award in our Annual Lecture Series.
- Best Summary Paper award, relating to lectures conducted by us periodically. Students in Chennai who wish to attend and participate in such lectures are requested to email us their mail ids to enable us to send them e-invitations well ahead of the lectures.
- Sponsoring periodical lectures on current economic and related issues addressed by experts in colleges, in association with respective colleges to reach larger number of students.
- The main aim through these activities is to encourage students who have an interest and aptitude for research, to take up research projects on specific current issues in the area of economics and finance and present papers. More importantly motivate them to take up economics as main subject of study and plan their career.
- A small but growing library with books and periodicals functions at the premises of the association for the benefit of interested students, research scholars and faculty.
- Interactive lectures on “Career opportunities for those specializing in Economics” are arranged in schools for XII students to motivate them to select economics as main subject in colleges at graduate level and pursue at post graduate level.
