## Report on Field Trip to "Reverse Osmosis" plant

organized by

Department of Chemistry, GDC, Narayanpet

Dept. of Chemistry has organized a field visit to B.Sc. II-Year students on 22-02-2021 to Doctors water plant.

15 students participated in the field trip at the visit place.

Subramanyam guru explained about the process of filtration of water to the students in detail. Students learnt more about the process by directly seeing the water plant operation. They noted down. They cleared the doubts they have come across while explaining. Students noted down the procedure.
