

The Department of English conducted Extension Lecture on 6th of March 2020.

The objective of the extension lecture is to enable students identify and differentiate between the four types of sentences viz declarative, interrogative, exclamatory and imperative which helps them in writing.

Topic: Types of sentences; Clause

Resource Person: Dr. J. Madhavi
Assistant Professor
Dept. of English
Nizam College, OU.
Hyderabad.

About the Lecture:

- Students were exposed to the types of sentences will enable them to recognize and create declarative, interrogative, exclamatory and imperative sentences.
- Students will be able to correctly punctuate the sentences.
- Types of sentences allow students to express themselves clearly. Using a variety of sentences in writing will add interest and help them to put ideas across effectively.

The Department of English Conducted Extension Lecture on 10th March 2020

The objective of the extension lecture is to show the pros and Cons of Television in modern context and make understand to limit the use of Television.

Topic:- Roald Dahl's Television in Modern Context.

Resource Person:- Dr. Ansa Khan.

About the Lecture:

- Television is a source of entertainment, by watching news, we are kept informed and up to date.
- It helps you feel less lonely, some shows let you travel and teach you about different people, cultures, ideas and places you might never encounter in real life.
- Some researchers argue that, kids who watch violent acts are more likely to re-enact the violent and aggressive behavior.
- Watching too much television is bad for health and may contribute to behavior problems.

sleep difficulties, health issues and lower grades
- Too much watching of television can also make you anti-social, and it is potentially a waste of time.

- The time that is spent watching television could be spent doing something productive like doing physical activity, enjoying outdoors, reading or doing homework.

Founder & President (PLCS),
Rajshri Tandan Mahila
Mahavidyalaya, Allahabad (UP).

About the Lecture:-

- Rabindranath Tagore was a man of many talents. He was first Indian to win a Nobel prize for literature.
- He was also a great painter.
- He enriched literature with his wonderful writings.

The Department of English Conducted a webinar on 10th of April 2021 via ZOOM platform.

Objectives:-

- To develop students ability to identify & produce key sounds, as well as basic rhythm, stress & intonation patterns.
- To let students know their own strengths & weaknesses with certain sound patterns due to the influence of their mother tongue, which in turn helps them in learning pronunciation.

Topic:- 'Learning Pronunciation'

Resource Person: Dr. Nancy Serena
Assistant Professor of English,
Govt. Degree College for Women,
Begumpet, Hyderabad.

About the Lecture:-

- Learning pronunciation is an important part of learning any language.
- Learning pronunciation is not just about acquiring knowledge, but it is a physical skill that needs to be practised regularly.
- Good pronunciation is more than just mastering individual sounds. It is also about understanding intonation & stress.
- Read poems, speeches & songs aloud, concentrating on the word stress & intonation.
- The place of articulation is important in pronunciation, because you must know where

to produce sounds in order to pronounce them correctly, different sounds involve different parts of mouth.
