Quiz competition & outcomes

→ Quizzes play an important role e-learning and provide an array of benefits for both the learner and the instructor.

→ Quizzes improve or expanding one's knowledge of thing either general or in specific area.

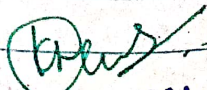

→ Quizzes online will usually provide the user with results instantly. This is good for students because it allows them to know what they did wrong immediately, what they need to focus on, and how to improve should they have to retake the test.

→ Quizzes have always been a motivator to study hard when students know that their progress will be judged upon an exam, a performance review etc. It sets a deadline for when material needs to be learned by and diligent student know they must adhere to that.

→ An important online quizzing and testing is the ability a learner has to research is the web for answers and creating tests should be a little off topic in terms of the material, though it is likely to be researched online.

→ It promotes a healthy debate participants in order to learn from each other.
