

Best practice :-

Title :-

Department of chemistry is started Best practice "learn to compound names and structure every day."

Objectives:

To encourage the students to learn chemistry as regular usage in their college hours

The context:

Most of the students are interested to learn chemistry, but they have not proper previous knowledge.

our department is encouraging the student to learn regularly

THE PRACTICE:

The Department of Chemistry motivating the students to learn daily to compound names and structure everyday.

One notice board is prepared for this Best practice to displaying everyday to structures.

Evidence of success :

Department of chemistry is maintain regularly Book for writing the structure & photos displayed in the note Book

Best Practices :

- I. Department of chemistry is conducting msc Entrance coaching from 2019-2020
- II. The best practice adopted in Department is rain-water harvesting in the campus. students know the knowledge about the rain water harvesting to improve the ground water level in their respective villages and also know about soak pits in their houses.
- III. Know your chemistry: The best practice adopted in the Dept. is know about your chemistry. Learn two names & structures of the chemical compounds every day at the Department Notice board.
