The mentor mentee cell of the college has allotted department of chemistry to 100 mentees in the academic years 2020 to 2023. According to the policy of the cell counselling and visits were made also the interaction between parents, students and mentor successfully done in the session. It was a great idea to visits the mentees houses. Parents satisfactorily and openly discussed with us. They also appreciate that the college is taking extra and useful steps towards the well being of there wards.

We discussed with parents on curricular and extracurricular activities, counselling on various girls issues with them telephonic talks and on campus discussions the following issues were raised by a few of them and those issues have been sorted out with due involvement of the administration.

The issues were as follows:

S.NO	Issues Raised	Issues Resolved
1	The cleanliness of classrooms and laboratory & availability of tap water in lab and washroom.	The demand was discussed with principal and principal successfully taken an action on it.

Mentors: 1) B. Arun Kumar  
2) V. Shashidhar

2020 - 2021

#### **OBJECTIVES:**

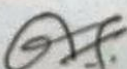

- This program enhanced thinking capability of students towards competitive examination.
- This program highlights the global competitive level among the students.
- This program enhanced the coherence among the students as well as faculty members.
- This program as given logical thinking towards solving difficult problems in chemistry as well as related subjects.
- This program has promoted thinking level towards how we can't live without chemistry and also how chemistry is useful for their future.
- This program elevated basic knowledge regarding fundamentals of chemistry and also how the chemistry is impact to explain the major and minor events in chemistry.
- This program held to understand the position of students with other students with respect to basic understanding of chemistry.
