In response to your letters we are happy inform you that we will agree to linkage with your institutions in the following areas of activities for mutual benefit of our students.

1. In visiting your college for guest lecturing, interactive sessions etc., by faculty members of both the colleges.
2. In taking the students to our campus/premises (both the colleges) for field studies
3. In building the relation among the students and faculty of both the institutions to enhance knowledge acquisition.
4. In encouraging the students and faculty in the areas of application of knowledge.
5. In motivating the students to participate in the workshops which are conducted by both the colleges to get more practical based skills by them.
