

Department of chemistry and department of physics of Govt. Degree college, have arranged a field visit for B.Sc II students to HINDUSTAN PETROLEUM CORPORATION LTD. on 25.02.2021.

Our students come to know about,

- (i) mining of crude oil.
- (ii) separation of various petroleum products by FRACTIONAL DISTILLATION.
- (iii) how petroleum is transported through pipeline.
- (iv) refining of petroleum.

PRINCIPAL (FAC)

Date 24.02.2021

To  
The General Manager,  
Hindustan Petroleum Corporation Limited,  
Bogaram, Ramannapet,  
YADADRI BHUVANAGIRI.

Respected Sir,

**Sub:** Government Degree College, Ramannapet - Requesting permission for 15  
Students from B. Sc. III-Year for a field visit to your company - Reg.

@@@

With reference to the subject cited above, I submit that as part of the curriculum it is mandatory for our students to visit a nearby industry/company to gain knowledge and to have a firsthand experience of technical aspects of the company.

In this regard, we consider that H.P.C.L. being a leading Public Sector Company and is nearer to our institution, it is suitable for us to conduct a field trip to our students. Therefore, we would like to conduct a visit to 15 students from III year Sciences viz., (MPCs, MPC, B/ZC, BZCA) in the first phase. And the trip will be immensely useful for our Science students, which will enrich their vision for their future educational pursuits.

Hence, I humbly request you to accord permission for the field-visit as early as possible, and kindly arrange a mentor for explaining the working of different organs of your company.

Thanking you Sir,

Yours sincerely,

  
Principal

Govt. Degree College Ramannapet
