

GOVERNMENT DEGREE COLLEGE WARANGAL RANGASAI PET

(Affiliated to Kakatiya University)

DEPARTMENT OF ECONOMICS

Action Plan 2020-21

The department of Economics was started in the year 2008 when the college itself was established. It was teaching Economics subjects to B.A. students. Different innovative and best practices are being done in the department. Many special lectures are conducted and enriched the knowledge of students. They were documented. The department produced and guided many of the students to do P.G. in Kakatiya University. Planning to conduct Peer Teaching, Remedial Teaching, Counseling, Career Guidance and unit test papers – Organization of various cultural programmes promotion of students' participation in sports - Inform and encourage scholarships and fellowships by government.

VISION:

- 1). To improve competitiveness in rural students to face the present world
- 2). To organize extension activities for community development focusing on social awareness
- 3). Train and develop local talents to compete with global standards
- 4). The Department also proposes to give more practical knowledge of Economics subject.
