

## Entrepreneurship Development Cell

The Entrepreneurship Development Cell is established on 02-03-21 and the Department of Economics looks after the activities of the EDC. The department imparts entrepreneur ideas on how to plan business with small investments and how to become business entrepreneurs by organizing Seminars and Workshops with eminent Entrepreneurs and Industrialists. The Incubation Centre is planning to link collaborations with prominent state, national and international industries. Telangana Skills & Knowledge Center (TSKC) trains the students in technical, communicative, soft and life skills to the undergraduates for placement in MNCs.

### Activities:

Awareness Program is conducted on Entrepreneurship

Awareness programme on Small Scale Industries
