

IQAC INITIATIVES

The institution was established in the year 2008 with very few students and now it has grown to 450 strength. The Internal Quality Assurance Cell (IQAC) of the institution was established in the year 2018 with an intention to strengthen the college to serve the needs of student community keeping in view its vision and mission. The IQAC has taken number of quality initiatives, to provide exposure to students in different avenues by promoting quality culture in departmental curricular, co-curricular and Extra-curricular activities.

- IQAC has encouraged the staff to register themselves for the Ph.D. programs.
- The IQAC has encouraged the staff to attend RCs, OCs, FDPs, and other training programs.
- The IQAC has encouraged the faculty members to attend workshops, seminars and present papers in respective meetings.
- The IQAC organized One Day work shops to train the faculty members to teach online and make PPT presentation in COVID pandemic time.
- The IQAC encouraged the staff to adopt Blended learning by using ICT tools.
- The IQAC collects the feedback from the stakeholders such as students, parents, alumni, and teachers analyzes and takes appropriate action basing on the results.
