8. Skill Development Initiatives/Placements: It is envisioned that each student passing out from colleges is to be equipped with a skill-set to be employable in job market. Therefore, the existing skill building initiatives/platforms like TSKC and Certificate are to be implemented effectively. Each Government Degree College is expected to run at least five certificate courses to enhance employability of students.

➤ Certificate courses:

- a. No of certificate courses launched-10
- b. Partnering and certifying agencies----
- c. No of students joined, completed the course—300

➤ TSKC training:

- a. Lab infrastructure: 8 lacks sanctioned for tskc renovation
- b. No of students trained vis-a-vis placed-3
- c. Details of companies/recruiters/employers

9. Infrastructure Development: Status of infrastructure needs vis-a-vis facilities available, under development and required are to be presented.

Details of the infrastructure needs – Colleges requiring additional classrooms, toilets, drinking water, laboratories and compound wall with estimates.

We need two more water plants so that we may supply potable drinking water to all students without delay. The estimated cost is around 4 lacks.

We need compound wall as the place is being encroached by the locals on daily basis. The estimated cost is around 4-5 crores.

Details of the executive agency and issues relating to it.

Presently RUSA is providing some infrastructure through CCE.

10. **Minimum Requirements:** Status of fulfillment of minimum requirements and the action initiated towards fulfillment of deficiencies if any.

We need NCC unit . recently NCC nalgonda Commandant visited to check the infrastructure necessities for starting NCC in the College. We request the Honorable district Collector to help us to get a unit.

11. Corporate Social Responsibility (CSR) activities: Activities taken up under Corporate Social Responsibility with the help of corporate companies.

12. Best practices: Best practices evolved in Colleges are to be presented

➤ What is the practice :Plastic Free campus

Instead of plastic covers we are using cloth bags and encouraging students to use only cloth bags.

➤ .

13. Alumni and Parents Teacher Association & Guest lecturers by District Officers: Involving alumni and parents in institution development. Inviting District officers to interact with students.

Kodad sessions judge interacted with students very recently.

Alumni Association:

Immadi Ramesh President

SomiReddy secretary
