Every information regarding student support system is informed through notices, display at appropriate places and in website.	

5.2 Efforts made by the institution for tracking the progression

Improving employability of graduates:

TSKC imparts training to the B.A, B.Sc., and B.Com. Students in computer skills, analytical skills, English language skills. JKC conducts job drives. So far 996 students were given placements through JKC.

It always plans to conduct more recruitment drives to impart coaching for competitive exams like Banking services, UPSC and TSPSC

A career guidance cell is established to educate students of the available opportunities in higher education and employment (Private and Public)

After the analysis of results slow learners are identified and are given remedial coaching. Their progress is continuously monitored by the group of teachers. Identifying groups of slow learners, average learners, advanced learners. They are in turn grouped to discuss among themselves the important topic of the paper(s). Their conclusions / preparations are monitored by a group of teachers.

The college has already applied for autonomous status.

The college was first accredited with B+ in 2005 and was re-accredited with NAAC in 2011 and awarded with CGPA 2.95

D) The academic audit is conducted by the Commissioner of Collegiate Education every year. Completed API of the teaching staff are submitted to the office of the commissioner Telangana, Hyderabad.

The Head of the Institution is appointed by the Head of the Department.

Staff Council consists of all the heads of the department. Various academic committees are help the head of the institution for the smooth running of the academic activities.

The teaching faculty is appointed by the then APPSC i.e. public service commission. Some of the teaching faculty is appointed by promotions from Junior Lecturers to Degree Lecturers.

Non-teaching staff is appointed by the state government.

Interaction with industry is the only area of concern as the existing industries in the region are either too small or medium scale industries. There is a gap between the learning and industrial employment requirements. Employment enhancing programmes are to be designed for the employability.

The employable skills are to be imparted through the TSKC.

The research activities is enhanced, wherever possible, in consultation with the University.

ACADEMIC GROWTH/ACHIEVEMENTS:

Presently, the college has 17 departments with full - fledged facilities imparting education in different courses catering to the needs of undergraduate as well as post-graduate students mainly belonging to the socially deprived sections of the society.

b) Distance Mode: The college offers Distance mode of Education through Dr. B.R. Ambedkar Open University, Hyderabad to cater to the needs of students who cannot afford formal education.

c) State Counseling Centre The college is one of the state counselling centers for EAMCET, Ed.CET and ICET.

d) National & State Level Examination Centre The college is one of the state and national level examination centers for GATE, Ed.CET, EAMCET, ICET Hyderabad Central University P.G., Ph.D. Courses and other competitive examinations such as Banking, LIC , Forest, Group Services.

Physical Education: The Institution has strong physical education department which provides all facilities to the players to train them for the National and International events in sports and games. Several students got placement in Government and Private Organizations under sports quota. The Department provides well equipped gymnasium separately for boys and girls.

To support a large number of students with challenging, meaningful academic and research problems would require comprehensive augmentation of academic & research facilities, the following initiatives were taken. They are as follows-

“Jawahar Knowledge Centre”(JKC), has been established in the institution in the year 2005 enabling the students fit for employment in the fields of information technology, computers, pharmaceuticals and other multinational companies.

The NCC unit is shaping the youth force involving them in various NCC training camps like ATC, CATC, IGC, TSC, state RDC, State IDC, All India Trekking, National Integration camps etc and producing talented cadets to the prestigious camps such as Republic Day Camp (New Delhi), Talasena Camp (New Delhi), Mountaineering course, Attachment to Indian Military academy Service selection Board coaching camp and special NCC at Jammu and Kashmir.

NSS wing is strengthened with 4 units and 500 volunteers and is extending its tremendous service to the society through camps, awareness programmes etc at district level, University and also at National Level.

Electronic Class Room (Mana TV) Lessons are telecast for the benefit of students by CCE, Telangana.

Indian Youth Red Cross Wing (IYRW) take volunteers to part in various social activities like participation in NSS Programmes, Blood donation camps etc.

Eco Club promote awareness about health & hygiene and dangers of pollution through various programmes.

Student Grievance Redressal Cell attend to the grievances and complaints of the students. Prompt action is initiated to solve the problems of the students.

Career Guidance & Placement Cell gives guidance to the wards on various career opportunities. The cell had been quite active in conducting seminars and also organizing "Recruitment Melas".

Recreation club: The "Satyajit Ray Centre for Recreation" is functioning in the college giving the rural and unprivileged students an exposure to good and meaningful cinemas.

Health Centre under takes periodical health check up of students, staff and gives free medical advice. It organizes Blood Donation camps with the cooperation of NCC & NSS units of the college.

College Planning and Development Council (CPDC) looks after the improvement of the Physical amenities like construction of additional accommodation, repairs of the building, water facilities etc.

Internal quality assurance cell (IQAC) continuously monitors academic and administrative performance to maintain the quality enhancement of the Institution.

Co-operative stores was started in the year 1978 with an initial capital of Rs. 10,000. Now, the capital is raised to 2 lakhs. The stores supply all the necessary requirements of the students.

- Canon Image Runner Advance is connected to all the systems through LAN and provides copying, printing and scanning functions.
- The college has a seminar hall where LCD projector, OHP and Visualizer are used effectively for teaching learning.
- The computer Labs are provided with computers of advanced configuration but are insufficient.
- As an affiliated college of the Satavahana University, Karimnagar, the college follows the syllabi prescribed by the University for the Sciences, Humanities and Commerce faculties both at the undergraduate and post graduate levels hence the college has a limited role to play in this regard. Some of our staff members who are invariably members of the respective boards of studies of the University play a vital role in updating the syllabi and making it more relevant to the society.
- The faculty extends their valuable suggestions in the departmental conferences and workshops conducted by the respective departments of the University for updating and reviewing the curriculum.
- A scheme of awarding 66 gold medals to the students who achieved excellence in various subjects in the University examinations and also in extracurricular activities
- Faculty Forum shares their knowledge

7.3 Give two Best Practices of the institution (please see the format in the NAAC Self-study Manuals)

4. Format for Presentation of Best Practice:

1. Title of the Practice: Certificate Course in Film Making, Communication Skills & Spoken English Social Work and Basic Beautician Certificate Course are practiced.

2. Goal: To bring awareness about Art films, develop LSRW skills, social responsibility and Women Entrepreneurship in beauty industry.

3. the Context: as most of the students are from rural background, speaking English is a great obstacle to them. Hence LSRW skills are developed through screening art films and indulging them in social work and developing skills in beauty industry.

4. ThePractice: This practice is unique in the Indian higher education. Young minds tends towards films, film making course, social work and beautician course for women help them to show their creative talent as well as learn good regional as well as English language. Keeping in view the psychology of youth, films are screened regularly to catch good regional and English language.

5. Evidence of Success: Many batches came out successfully in film making and social work. Our students have made few short films and few were uploaded in youtube & facebook. Two batches of basic beautician course have come out and most of the students started their own beauty parlours.

6. Problems Encountered and Resources Required: Parents do not accept these courses whole heartedly. Modern cameras and other equipment to make films are to be bought which is a financial burden and the resource persons available are very limited.

Summary of strengths and weaknesses:

SRR Government Arts & Science College is well known amongst the best teaching institutions in the field of Arts, Sciences and Commerce and has made a mark in North Telangana region with its high quality UG and PG education.

The existence of a high quality faculty, vibrant academic and research orientation flexible and conducive governance system are the key strengths of this institution. But the number of faculty to cater the needs of students is insufficient.

Ambience atmosphere in a building of vast area of 28.15 acres of land with full greenery, rose and mango gardens, model water-shed, check dam, vermi-compost plants is an ideal place for teaching and learning process. Apart from this classrooms, laboratories, auditorium add to its acceleration. But the number of class rooms to cater to the needs of UG and PG students is insufficient. Hence a separate PG block is a must.

The grants received from funding agencies are insufficient to develop the institution physically and academically.

Many activities related to academic, cultural, literary, sports etc are carried for the benefit of students. All records are maintained using MIS (Management Information Systems). But, academics are totally dependent to University norms. Hence autonomy is desirous.

To provide greater access to all those who deserve and desire higher education in general and to rural marginalised sections of society in particular to enable the students to receive available knowledge of higher students to enhance their human resource capabilities.

Summary of challenges and opportunities:

The local economy of the region is fast growing educationally, industrially, physically, agriculturally, demographically, economically and so on. The demographic change with respect to age, gender, educational qualifications, income levels, marital status are worth mentioning and are a challenge for higher educational institutions. Economically, people are interested in spending more as their buying capacity has increased, conception levels has increased.

Educationally, people now –a- days are aspiring to do more than one course, add-on courses, vocational, professional courses because of interest and its employability factor. Therefore, there is a great opportunity to introduce more vocational, professional, PG and certificate courses.

8. Plans of institution for next year

Future Plans of the Institution for the next academic year

The college has taken up several innovative activities in the academic, co-curricular, extra curriculum activities, Sports & Extension facilities to mould the institution as a “Centre for Excellence”

1. Academic: Preparation for applying for the Autonomous status and potential centre for excellence.

Strengthening the activities of District Resource Centre of the College.

Planning to offer more UG & PG courses including certificate courses in social work.

Strengthening of teaching through teaching aids, ICT & MANA TV CDs.

To organize National Seminars, Workshops in some more subjects.

To depute all the newly recruited teaching faculty to attend Orientation &

Refresher Courses during vacations.

Providing computer & internet facilities to all the departments.

Strengthening Career Guidance & Placement Cell.

Updating of college website.

Certificate Courses such as consumer protection, art of public speaking, bank management, water & soil analysis etc will be introduced.

2. Research:

To involve more staff members in Research activities.

To encourage the staff to involve in Major/Minor Research Projects.

To encourage the PG Degree holding staff to pursue M.Phil. & Ph.D.

Faculty holding Ph.D. should take up post-doctoral research and guide research scholars.

3. Administration: Decentralization of administration.

Computerization of Office Administration

Getting feedback through Grievance Redressal Cell for improving quality management.

4. Extension Activities :

Extension activities through NSS/ NCC and other supporting services to bring laurels to the college and it will be our endeavor to pursue these activities with more vigor as this has been the major strength of the college

5. Infrastructure:

Construction of PG Block.

Construction of Auditorium.

Completion of Indoor Stadium.

Modernization of Science Laboratories.

Modernization of Office & Auditorium Building.

Beautification of college building.

Strengthening of the existing gyms.
