TWO DAY NATIONAL WORKSHOP ON LIBRARY AUTOMATION USING : KOHA

On
04th & 05th August, 2023

ORGANIZED BY

Department of Library and Information Science
&
IQAC

**Pingle Government College for Women (Autonomous)
Waddepally, Hanamkonda, Warangal,
Telangana State, India-506370**

ABOUT KOHA

The two-day workshop is aimed at equipping working library professionals automating library processes using the open-source software Koha. Koha is one of most widely used system in the world for its easy implementation without limitation to library size, and strong development support. It addresses almost entire gambit of the library processes such as Patron management, Serials, Circulation, Administration, Reserves Acquisitions, Stock Inventory, OPAC, Authorities Control, Reports, Cataloging, Search, Branch Relationship etc. Koha is based on International library standards and protocols (such as MARC21, Z39.50 etc.) that ensures that Koha data can be exchanged between similar ILMSs. & any other library management system. More details about Koha can be found at www.koha.org.

The workshop will be equally useful to the libraries planning to migrate from expensive proprietary software, as well as the libraries that are yet to embark upon library automation. The following major topics will be covered in the Workshop:

- Introduction to Open Source Systems and their application in the Libraries
- Koha and library automation: module by module
- Customization and Management of Koha
- Customization of Koha Online Catalogue(OPAC)
- Cataloguing MARC-21 framework.
- Installation and brief overview of Marc-Edit Software
