INDUSTRIAL VISIT

Industrial Visit by Science Students

Date: 17th May 2022

Students of Government Degree College Agraharam from the Departments of Physics, Chemistry and Zoology visited Bulk Milk Chilling Unit of Karimnagar Dairy at Agraharam village on 17th May 2022 as a part of their industrial visit under the direction of college principal Dr. Vadluri Srinivas. This field trip was coordinated by Sri K. Rajesh, Asst. Prof. of Physics. As a part of their curriculum they visited this unit and they observed that the present milk chilling unit is being maintained with good hygienic and quality standards. Sri Raji Reddy, Asst. Manager of this Dairy unit clearly explained the process of procuring the milk from the farmers from different villages. He briefed about the chilling process of the milk at very low temperature. Students observed the growth of microorganisms presence in the milk.

Further, he also briefed about the process of purity checking of procured milk from the village farmers. In this program, Coordinator of this programme Sri K. Rajesh, college faculty Sri Y. Narayana and 30 science department students were participated in this Industrial Visit.
