Nearly 65 above research paper received in the seminar but 56 research papers published through Global Research Society with ISBN book which was great task on the part of seminar organizers in respect of monetary burden. GDC, Peddapalli, express gratitude to the UGC for sanctioning the two-day national seminar. The following are the benefits of the seminar to the institution, faculty, students, and industry society.

Benefit to the institution

Government Degree College, Peddapalli, Department of Commerce has organized UGC national seminar: Indian IT-BPO industry prospects and challenges, on 05th and 06th February 2016, has bagged reputation among the university and degree colleges in the state. The college has pioneer to takes risk and opportunity and conducting valuable risk oriented program of this nature. It played the Role of University, being a small college and locating in remote mandal level. It has invited state level dignitaries to the institution as a result; the institution face was highlighted and focused not only at district level but also state level and national level. The seminar received valuable research papers from other states including Assam and karnataka. The seminar paper proceeding was published in the ISBN Book helping in getting higher grade in the next NAAC accreditation period. The faculty of Government degree college, Peddapalli, was identified, recognized, for these commitment and success of UGC sponsored national seminar, with this the institution may get more admissions in degree and PG courses during the forthcoming period.

Benefits to the faculty

The following points are highlighting benefits by the faculty by organizing the national seminar.

- A) The teaching faculty of the college has got opportunity to form a team of collective strength, at institution level involving all departments good experience, good exposure, such as never obtained before.
- B) Teaching staff members has got the opportunity to present the paper at seminar, and got published in the ISBN Book. It will be add to performance index measured by commissioner of collegiate education, Hyderabad. They came to know the collective advantage of team spirit. Thus will be useful in getting more admission in B.A, B.Com, B.SC, M.A, and M.Com courses.
- C) The Government degree college, Peddapalli, has organized national seminar with blessings of UGC-SERO, Hyderabad, Which gave opportunity to the faculty member to develop self confidence for organizing such type of herculean task oriented programs.
- D) With thus exposure, by involving personally, achievements of seminar, the staff members, positively turned out to apply for national seminars, in the future course of time. This will be strengthening the academic courses and institution ability and institution performance.

- 14
- E) Each staff member was given participation certificate which motivate them the research spirit for applying MRPs and seminars, with this experience of the national seminar. The staff has got objective seminar. This became prestige achievements among the institution and university.
 - F) The Indian IT-BPO industry is a generic topic any faculty member and students, participated and presented their opinion. The students develop soft skill for gaining knowledge.

Benefits to the students

The following benefits obtained by the students of Government Degree College, Peddapalli, the B.A,B.Com, students and M.A, M.com- 1st and 2nd year, Students were participated in conducting of UGC-sponsored national seminar on 05th and 06th February 2016. The conducting of seminar was first of its kind in the history of the college since its inception 1987. The students came to know practically, how the seminar proceeds will be conducted and how a theme research paper will be submitted and presented before the intellectuals' scholars which will add to the existing literature. The students were involved in making arrangements along with the lecturers in arranging food, snacks, in arranging vehicles to the resource persons and giving publicity in other institutions and arranging flexies, which all these activities put together worked as a project style to the students of P.G courses and developed leadership culture in them.

Benefits to the society and industry

Nearly 56 research papers were presented in the seminar before the intellectual gathering. These papers dealt with the scenario, development, contemporary intellectual property creative rights, future challenges conversion into opportunities, technical, skill, research based skill of India at the international IT-BPO market level with a competitive spirit all the papers put together has resulted into bringing of an ISBN Book published. Which added to the existing literature the intellectual discussions debates and added literature on IT-BPO industry, will be very much useful in framing Govt. policy for the growth of the industry to raise industry standards to meet international demands. Work standard schedules could be improvised by the answers with research papers in addition the research papers are very valuable in bringing about the summary of IT-BPO industry challenges and make understood to the policy framing body, Govt. agencies, banks, entrepreneurs and intellectuals and at large techno-youth of India, which everybody helps in the development of this industry. This is a forum which exclusively highlighted the threadbare problem characters of this industry in the arranged open discussion definitely

brings into the eyes of responsible agencies for bringing a wider change in the days ahead. The IT-BPO industries is a big employment generator and stand second after textiles industry and it should further strengthened for the sake of strong Indian economy. The open dialogues and debates seminar empowers the industry track to a longer penetrated and market dominant role by India at international level by overcoming china.
