Awareness Programme On Gender Free Classroom

27

12-11-2014

An awareness Programme was held in the college under the chairmanship Principal Dr. R. Ramachandran on "Gender Free Classroom"

In this Programme all the staff and students has participated. Principal said that — this "aggressive male" and "Passive female" stereotype silences girls as they grow older. This type of words / Language should be avoided. Some students has shared their ideas.

The phrases like ladies and gentlemen or boys and girls. Part of our daily vernacular must be stopped.

The teachers can be more sensitive to the way genders is presented in their classrooms? By reflecting on how their own experiences with genders shape their practices and questioning the biases they see & hear, they can begin to shift the culture to be safer & more inclusive. These strategies can help teachers move from awareness to action. "Break the Binacy" Use the gender neutrals such as they, them...
