A BRIEF REPORT ON SOFT SKILLS DEVELOPMENT:

In the academic year 2018-19 interested students from various groups registered their names for SOFT SKILLS DEVELOPMENT class. The students who attend the class expressed happiness and satisfaction. Students those who joined in the soft skills development class feel free to communicate with one another under able guidance of M. Rajashekar, Lecturer in English.

Soft skills are different from hard skills, which are directly relevant to the job to which you are applying. These are often more quantifiable, and easier to learn than soft skills. A hard skill for a carpenter, for example, might be the ability to operate a power saw or use framing squares. Employers want employees who are able to interact effectively with other employees.

Soft skills development class benefitted students for their better career and future employment. They alone give them sense of confidence to face various interviews. These skills are very useful in all walks of life.

Brief Report on Remedial Coaching

The UGC has introduced the Remedial coaching scheme. The remedial coaching aims at improving the academic skills and linguistic proficiency of the students in the various subjects and raising their level of comprehension in such subjects. Where they are lagging behind to reduce their failure and dropout rate. In pursuance of this our college is also conducting the Remedial coaching for slow learners.

As soon as the slow learners are indentified the Lecturer shall meet such students separately and discuss their problems. Suitable suggestions can be given for their improvement .Additional classes shall be conducted for such students for bringing them on par with the other students.

Objectives:

1. To strengthen their knowledge skills and attitudes in such subjects, where quantitative and qualitative techniques are involved. So that in necessary guidance and training is provided to enable the students to pursue higher studies efficiently.
2. To prepare slower students to get good score in exams.
3. To uplift the standards of failed students to pass in the exams.

In the 2018-19 academic year a total of 165 students registered for Remedial coaching in all the Departments of the college and 142 students benefited. i.e. 86 percentage students got benefited by this programme.
