Dear Sir/Madam

The list you shared for registration ,it's been uploaded (Other than that if the e mail id has not been mentioned properly e.g the entries where 2 mail ids mentioned in the same line, space with in or before after mail id or name, "," or "/" "()" mentioned in any field, @ mentioned more than one time, @ mentioned in the wrong place, @ mentioned in name field, First Name field blank or any symbol mentioned, duplicate entries in case of email ids against same name or different name and already registered etc) .

Expected everyone will be receiving their username , password (if the email id is correct and the mail box is not full, otherwise it will bounce back) in their respective registered mail id with in 2-3 days.

Everyone needs to check their spam folder also, they need to login into the portal once to activate their account.
Thanks
