Two Day National Seminar on

Reforming Indian Higher Education System-Role of NEP 2020: Issues & Challenges 29th & 30th April-2022

UNDER THE AEGIS OF RUSA & TSCHE

Organized by

**DEPARTMENT OF ENGLISH & IQAC.
GOVERNMENT DEGREE COLLEGE, HUZURABAD
DIST: KARIMNAGAR PIN: 505 468**

ABOUT HUZURABAD:

Huzurabad is a Mandal headquarters and one of the major towns of Karimnagar District of Telangana State. It is a noteworthy place with rich heritage and culture and ideal place for peaceful co-existence of 30,000 people of diverse communities. It is encircled by the canals of Lower *Manair* Project which help for rich vegetation and green crops. Agriculture is the main livelihood of the people. “VANGARA” the birth place of Sri. P.V. NARASIMHA RAO, Former Premier of India is located very near to Huzurabad. PV had his primary education in this town.

ABOUT THE COLLEGE:

Government Degree College, Huzurabad was established in 1993 in Huzurabad town and started its educational services in 1994 with BA and B.Com courses and from the academic year 1998-99 Life Sciences and Physical Sciences groups were started. The college focuses its attention mainly on advancing and disseminating knowledge by diverse means like student seminars, bridge courses. The college also arranges extension lectures by the subject experts and eminent academicians, remedial classes to slow learners are arranged for their progression. Classroom teaching activities, providing assignments, conducting of internal examinations are the regular activities of the institution. Field trips and project works are taken up to inculcate scientific temper and to develop comprehensive understanding of the socio-economic, political and historical conditions. The college was accredited with Grade ‘B’ by NAAC, Bangalore in 2015.

ABOUT THE DEPARTMENT:

The Department of English and IQAC has been among the most active departments of the college since their establishment at the college. They are extending their valuable services by keeping the departments in the forefront in teaching, learning and assessment. The department has well qualified and experienced faculty who work wholeheartedly for the benefit of its stakeholders. They strive to hold up the stature of the college. The faculty members have rich experience of participating and presenting scholarly papers in national and international conferences/seminars and the present National Seminar is first of its kind in conducting in the present institution

THEME OF THE SEMINAR:

The principal aim of education is not just the acquisition of knowledge as preparation for life in this world, but for the complete realization and liberation of the self. Education helps to achieve full human potential and promote for the national development. The new National Education Policy – 2020 (NEP2020) emphasis on the development of the creative potential of each individual ultimately leads to the nation building. The policy is based on cognitive foundational capacities. It also tries to develop ‘higher-order’ cognitive capacities like critical thinking and problem solving. It brings significant reforms in higher education in order to create global standards. The present Two Day National Seminar on “Reforming Indian Higher Education System – Role of NEP 2020: Issues and Challenges” aims to create awareness on the National Education Policy – 2020 and to discuss the issues and Challenges of the National Education Policy – 2020.

It also tries to identify and bridge the gaps in inputs and outcomes of the NEP – 2020. Further the seminar tries to assess and evaluate the impact of the NEP – 2020 and finally tries to establish a roadmap towards a holistic education.

SUB-THEMES OF THE SEMINAR:

- Promotion of Indian Languages, Art and culture
- Structural and Institutional Reforms in Higher Education
- National Education Policy: 2020 – Issues and Challenges
- Structural and Institutional Reforms in Higher Education
- Reimagining of Higher Education
- Transforming culture of Assessment in Higher Education
