Breast cancer awareness Program

An awareness program was organized by an NGO 'We for Women' on 31st October 2021 in view of Breast cancer awareness week. In this program, students from our college have participated. Our students prepared placards showing the importance of breast cancer awareness and participated in Rally. In this program they said that for every 8 women, 1 being affected by breast cancer now a days. If we can diagnose the problem in early stages, it can be cured. They said there should change in our life style to overcome the chances of getting breast cancer. Exercise, good food, avoiding stress is important parameters that have to be taken care. With these awareness programs many people can understand the spread of the disease and they can understand how to recognize the problem in early stages. NGO founder Dr. Pratibha Lakshmi. Dr. Sravanthi, Dr. Kirthi, Dr. Sandeep, Dr. Madan Mohan, Dr. Annapurna, Dr. Vijaya Lakshmi, Dr. Sunitha Joshi, Vamshi etc have addressed the audience.

We for Women creating awareness on breast cancer RISE-Rally in supporting, serving and screening Everyone-by We for Women

HYDERABAD, NOV I

October month is Breast cancer awareness month, an early detection is the key to save lives, said Dr. Pratibha Lakshmi founder of We for Women society for women empowerment during the breast cancer awareness 2k walk on ne

Breast cancer being the second most common carcer in women. One in every 8 women get breast cancer in their life, but, 96% lives can be saved with early detection.1,78,361 new breast cancer cases were reported in 2020 which amount to 13,5% of total cancers.90,408 deaths from breast cancer were detected in 2020 which amounts to 10,6% of total cancer deaths she added.

We, on behalf of we for women are ready to create averages and training for self breast examination in colleges for early detection of breast cancer. Majority of cases diagnosed with cancer breast in females, showed local and nodal (75.0%) spread, followed by 29.0% and 10.3% of cases with localized disease(confined to breast) and distant metastasis (cancer going to other organs of body) respectively said Dr. Sravanthi, a specialist in Gynecological Malignancies.

Dr. Madanmohan, Dr. Vijaya lakshmi, Dr. Aushin, Dr. Ashwini, Dr. Ashwini, Dr. Meeraja, Dr. Vamsh, Srikanth Chintala, Palanti Rejendra, around 50 students from Government degree college Begumpet, and many more counting a total of around 200 attended this awareness program.

Haemoglobin Estimation Camp

Department of Microbiology in collaboration with Microbiologists Society India and Red Ribbon club has organized Haemoglobin estimation camp on 12th November 2021. Students of B.Sc. III Year, MBC and MZC have conducted haemoglobin estimation for students of B.Com II year. Around 43 members have got tested their haemoglobin. It is found that haemoglobin for these students was in the range of 6 to 13. We have created awareness about importance of haemoglobin level in our blood. And explained the problems associated with low haemoglobin. We have also suggested measures to increase the haemoglobin i.e. to have more leafy vegetables, carrot, beet root, jaggery, pea nut etc. Students have received our suggestions and were happy with the outcome.
