Key areas summary covered during debate by the students, principal and resource person Dr Lakshmi garu, Principal, (Andhra Mahila Sabha Law College):-

- Women has been at the center of how our culture has evolved – right from olden days till today we always refer as Seetha Rama or Smt and Sri or say Mother's home and Mother in law home (ammagari illu, athagari illu), mother tongue (rather than father tongue)
- Our scriptures have given us many examples on how women played important roles in shaping leaders for the society or where they contributed directly.
- Lopamudra, Jiajiya Bai played an influential role in Shivaji's life, Jhansi Rani fought a war herself against the foreign rule, Sudha Murthy in today's world carries her cultural aura despite being part of a corporate conglomerate
- Being modern is not western, you can adapt to modern techniques by being culturally rooted

to your ways of living which are specific to this land (eating, dressing, thinking etc)

- You may disagree with an opposite culture/viewpoint, but you must respect their way of living that suites them
- Specific issue areas raised by the students - Sati, Dowry, Early age marriage do not support women equality or enable them with opportunities. Resource person highlighted that these were a form of social evils that got introduced situationally and is not the original essence of how women were expected to be treated
- When compared to cultures across the globe, Our legacy is probably some of the very few that

gave women the liberty to read, write, learn, explore, become what they wanted. This scenario started changing primarily after foreign invasions that created imbalance and moved people away from the original teachings. Glimpses of the Samvad event:

At the end of the camp we'll provide course completion certificate to all the students.

We will also take the students to various level tournaments and other events.

We will surely give a strong performance on any event happening in the college as you said earlier with the college team girls.

As per your request we will definitely conduct the same 90 days camp in your college every year from now!

Thanking you

Yours sincerely

MOTIVATIONAL SPEECH

By

Sri Chintakindi Mallesham

Padmasri Awardee

Dt.07-01-2022

It's said that hard work is the key to success. Little steps of action with perseverance and dedication can lead to a bigger results. Our nation is filled with such gems who have bought pride to our country with their work. They are awarded for their work with awards like Padma Bushan, Padma Shri etc. We strive all our lives to stabilise our life. All we think about living our life is a good degree, a good house, job and a settled family but some extra ordinary people dedicate their lives for the well being of others. Such people make their mark on history and are then remembered for centuries ahead. One such great personality is Sri Chintakindi Mallesham. His invention changed the lives of weavers for ever.

OBJECTIVE OF THE PROGRAM: Telangana is home to many inspiring innovators who have fought against all odds to create significant impact on their local communities. However, most of them go unnoticed. It is time to celebrate the stories of these grassroots innovators who have come up with innovative solutions to ease the nagging pain of a common man. These innovators are problem solvers who were driven to solve the unnoticed yet pressing issues of rural Telangana.

Women empowerment cell and department of zoology of Government degree college for women,Begumpet,Hyderabad organized a Motivational speech on dt.07-01-2022 by inviting Padma Sri Chintakindi Malleshamgaru.Women empowerment cell convener invited the Guests on to the dias and briefed the program.Heis a weaver from Alair,Yadadri Bhongir dist,Telangana state.He invented the great LAXMI ASU MACHINE. The program began with an inaugural session which included devotional song sung by Krishnasri,BA III yrand followed by the lightening of lamp .This was followed by the addresses by controller of examination Dr.K.Vijay kumar and a faculty member from the dept.of political science DR.M.Ramachary.later,Dr.G.S.Jyothirmai,head of the dept.of Zoology presented Mllesham sirs profile invited to address the meeting.

Later Padma sri awardee Sri Chintakindi Mallesham addressed the gathering with highly inspirable speech with simple words.He gave all round picture ofhis journey started from his childhood and stated that he is from economically backward family with zero education background.His father was a weaver. His mother used to support him but the struggle faced by her was practically seen by Mallesham garu and decided to find the solution to overcome manual methods for reeling the silk thread.Then he started of thinking in that direction.His father stopped his education to support the

family. From being a sixth standard drop out moved to winning the most prestigious civilian award. Padma Shri the life of Chintakanti Mallesham is an inspiration to all of us. His journey through towards his invention began at a very young age. He used to see his mother work tirelessly on the weaving machine meant for hand weavers. She would continuously toil with pain in her back and neck. That was the point when Chintakanti had decided to do something for her as well as all the weavers who worked so hard every day.

The process by which they weaved the cloth was called Asu. It was a wooden frame over which the threads would pass and the artisans would weave the cloth. Chintakindi wanted to make a mechanical machine that could fit right over the wooden frame. Chintakindi Mallesham wasn't a learned man. He had no knowledge about electrical or mechanical engineering. But still he wanted to make a worthy machine. He would spend hours together working on the invention of the low cost sturdy weaving mechanical machine which would be affordable for all the weavers. He would visit different mills with his friends and family to see the machines work. Which made him realize that he requires five working parts in the machine.

Over a period of 1992 to 1999 he was successful in replicating three working parts for his machine then he hit a blind spot. Chintakindi Mallesham was in a dilemma. His neighbours started taunting him of using his parents fortune and wasting them on the development of the machine which was not reaching anywhere. Which then led to his decision of shifting to Hyderabad for a living. He took his Asu machine along with him and would work on the machine in his spare time along with an electrician. He was fortunate to go for a visit in Balanagar workshop one day. Which then led to become his Eureka moment and he figured out the last missing component to make the machine work. He rushed home in a hurry and was able to make the last part which then he fixed on to his machine with a feeling of mixed emotions. He switched on his machine and at last his hard work paid off and the machine worked. The quality of the cloth woven on the machine was even better than the hand woven one and caused less labour stress on workers.

Mallesham has great plans and dream for his two daughters: Swetha and Rupa. Swetha, who is pursuing textile engineering in Salem, and Rupa, who is interested in studying fashion designing. "The proper degree and education will help my daughters. They should be able to do much more for the handloom sector than me and in lesser time." are his words of motivation and thought.

The life of Padma Shri winner Chintakindi Mallesham, who invented the ASU machine that processes yarn for sarees mechanically, is being recreated in this biopic, **MALLESHAM**

Mallesham is a 2019 Indian Telugu-language biographical film based on the life of Chintakindi Mallesham, written and directed by Raj R. The film features Priyadarshi as Mallesham, alongside Jhansi, debutante Ananya Nagalla and Ananda Chakrapani in prominent roles. The film garnered

positive reviews from critics upon release. Priyadarshi's performance in the film is regarded as one of the "100 Greatest Performances of the Decade".

During the program Mallesham movie trailer was also shown to the students and they were very much inspired to watch the movie once again. Students asked so many questions to mallasham garu about his journey and clarified them. Mallesham garu inturn was in strange about the interest showed by the students during the program. Behalf of Women empowerment cell and department of zoology felicitated the great Sri Chintakindi Mallesham garu.
