Department Of Chemistry

Workshops Report

2018-2019

Workshops Conducted during the Academic Year 2018-2019

Workshop on “ Daily used Products” 27-03-2019

Aim of the Workshop: To create an entrepreneurial idea and develop learning and experimental skills

Workshop Details: The department of chemistry has conducted workshop on “**Daily used products**” on 27-03-2019. All the III year students prepared various daily used products like Talcum powder, Kajal , Kumkuma, Tooth paste, Lip balm, Lavender body oil, Perfume, B-B cream, Homemade herbal shampoo, non- acetone nail polish remover and Foundation. The students demonstrated the preparation method of those compounds and explained their uses.

Outcome of the programme: Principal, all the staff members and students of GDCW visited the workshop and appreciated the efforts of the students and staff. The department of chemistry has got very good response from staff and students for this programme. The Principal suggested implementing the small scale industry of those products.

- The students acquired the knowledge of preparing daily used products & how home made products are safe when compared to the products which are available in the market.
- The students learnt the applications & properties of various ingredients that can be used to prepare daily used products.
- It was very useful for the students to establish small scale industry and to become entrepreneurs.
- The students understood the importance of the material available at home.
- Students could learn the team work during the preparation process.
- The students have developed creative thinking and improved their communication skills.
